### a. Who can apply?

This is an international **policy** designed for expatriates (i.e. persons living/working outside of their **home country**) and local nationals (i.e. persons living and/or working inside their **home country**) and their eligible **dependants** with the exception of the United States of America.

- The **policy** is not available to persons or in countries where it would breach any sanction, or where it is prohibited by law or local legislation.
- This **policy** is not available to any applicants whose primary residence is Europe (excluding UK, Northern Ireland, Gibraltar or Isle of Man. Residents of these countries should apply for an Evolution Health Plan (EU)).

Maximum age of entry at the **start date** of the **policy** on an FMU basis is 74.

Maximum age of entry at the **start date** of the **policy** on a Moratorium basis is 55.

Children can be added to a member's **policy** but they must be under age 19 and unmarried (or under age 25, unmarried and in full-time further education) at their **start date**.

Children may remain covered under this **policy** until the **annual renewal date** following their 19th birthday (or 25th birthday where in full-time education) or marriage, at which time their insurance cover under this **policy** will end and they may move onto their own **policy**.

We offer Child Only policies only to children between the age of 10 and 17. A compulsory **excess** applies to these policies of \$/€/£ 100 per **claim** and will be paid in accordance with clause d. (General **claims** guidance notes) under Section 4 (How to Claim).

Any children under the age of 10 have to have an adult covered on the **policy**.

### b. Conditions of acceptance

We are entitled to refuse an application from any person should the information provided fail to meet **our** underwriting criteria. **We** also reserve the right to ask for evidence of age, state of health, employment status or educational status.

We may wish to apply special terms, exclusions or premium increases to reflect any exceptional circumstances regarding **your** application.

If **we** cannot obtain all the information **we** need to assess a risk, **we** reserve the right to decline cover.

### c. Your duty of disclosure

We will rely on the information you give us when deciding to accept this Policy and in setting the terms and premium.

**You** must take care when answering any questions **we** ask by ensuring that all information provided is accurate and complete. If **we** establish that **you** deliberately or recklessly provided **us** with false or misleading information **we** will treat this **policy** as if it never existed and decline all **claims**. If **we** establish that **you** carelessly provided **us** with false or misleading information it could adversely affect **your policy** and any **claim**.

For example, **we** may:

- treat this **policy** as if it had never existed and refuse to pay all **claims** and return the premium paid. **We** will only do this if **we** provided **you** with insurance cover which **we** would not otherwise have offered;
- amend the terms of **your** insurance. **We** may apply these amended terms as if they were already in place if a **claim** has been adversely impacted by **your** carelessness;
- reduce the amount **we** pay on a **claim** in the proportion the premium **you** have paid bears to the premium **we** would have charged **you**; or

- cancel **your policy** in accordance with the Right to cancel condition below (clause h under Section 7). **We** or **your** insurance broker will write to **you** if we:
  - intend to treat **your policy** as if it never existed; or
  - need to amend the terms of **your policy**. If **you** become aware that information **you** have given **us** is inaccurate, **you** must inform **your** broker as soon as practicable.

#### d. Change in Circumstances

**You** must immediately inform **us** of any change in the information given on the application form, in-particular relating to any medical declaration **you** have made for **yourself** and any **dependants**, **your** address, **country of residence**, the birth or adoption of a child or any other change involving **your** insured **dependants**. If **you** do not tell **us**, **your policy** may be cancelled and any **claim** **you** make may not be paid.

**existing medical conditions** may become eligible for cover (unless the condition is specifically excluded by the **policy**) if, at the first time of receiving treatment, **you/your dependant** has not in that two (2) year period:

- Suffered any symptoms;
- Consulted any **medical practitioner** for check-ups/ monitoring of a condition, received follow up examinations, **medical treatment** or advice;
- Been prescribed or taken medicine, including **over the counter drugs**, special diets, injections or **physiotherapy**;
- And, **you** were not reasonably aware the condition existed.

If there is any doubt over whether a condition existed prior to the **start date** of the **policy**, **we** reserve the right to request a further medical opinion. The final decision on whether a condition is covered rests solely with **our** Chief Medical Officer (CMO).

#### c. Continued Personal Medical Exclusions (CPME) Underwriting

If **you** have had previous international medical insurance with another **insurer**, **you** may be able to apply for a transfer to **Morgan Price**. This must be on the same or lower **level of cover** to **your** existing insurance. There must be no break in cover in between **your** current **policy** expiring and transferring to **ours**.

**We** will ask **you** to complete a number of questions about **your** health and provide a copy of **your certificate of insurance** from the other **insurer**. This must include details of any personal medical exclusions that the previous **insurer** applied to **your policy**. If **we** agree to accept **your** application, **we** will transfer **your** terms from **your** previous **insurer** to **Morgan Price**.

Please note that the terms and conditions of the **Morgan Price** Insurance **policy** may be different to **your** previous insurance **policy**.

#### d. Non Disclosure

What if you didn't tell us about a condition, symptom or treatment you knew about when we asked?

Whichever form of underwriting you joined on, we may have asked you some medical questions before agreeing your cover. We worked out your terms or your premium based on your answers. If you did not answer fully or accurately, even if this was by accident, we will not cover treatment for the condition.

This means we will not cover treatment for any conditions that you should have told us about when we asked, but that you either did not tell us about at all, or that you did not tell us the full extent of. This includes:

- any pre-existing or previous medical condition, whether you had treatment for them or not; or
- any previous medical condition that recurs; or
- any previous symptoms that you have had or should reasonably have known about, even if you did not speak to a doctor.

## 3 Underwriting

This is an explanation of the insurance cover options available on the Evolution Health Plan (in other words how **we** treat any **pre-existing medical conditions** **you** may have):

#### a. Full Medical Underwriting

If **you** select Full Medical Underwriting (FMU), **you** must complete the FMU application form. **We** will review the information provided to ascertain whether **you** and any eligible **dependants** will be accepted with or without specific exclusions or terms.

**We** may need to request additional information to be able to provide terms. **You** must ensure that the FMU application form is fully and accurately completed, taking into consideration that the medical declaration relates to the whole of **your** life unless otherwise stated. If **you** are not sure whether **you** need to declare a condition to **us** or not, **you** should declare it.

Any **pre-existing medical conditions** not declared on **your** FMU application will not be covered by **your policy**.

If a specific exclusion or terms will apply to **your policy**, **we** will advise **you** in writing and **you** will need to confirm to **us** in writing that **you** accept the terms offered before **your policy** can start.

#### b. Moratorium Underwriting

Moratorium Underwriting is only available if **you** and any eligible **dependants** are under age 55 at the **start date** of the **policy**. If **you** select Moratorium Underwriting, **you** must complete the Moratorium application form.

Moratorium Underwriting means that **you** and any eligible **dependants** will not be covered for any **pre-existing medical conditions** that have been in existence during the 5-year period before **your start date**. After 2 years continuous cover, **pre-**

Whenever you claim, we may ask your medical practitioner for more information to confirm whether you had any symptoms before you joined.

If we need to look at your medical history, we will need some time to do this before we can confirm whether we can cover your claim.

If during the course of your policy we deem that a pre-existing medical condition was not disclosed to us, we reserve the right exercise our rights under clause 2 c (Duty of Disclosure).

**e. Underwriting and related conditions.**

Whichever type of underwriting you joined us on, then there is often a misunderstanding about what we mean by related conditions.

Below is a list of typical examples (not an exhaustive list) of the type of things we will not cover if you join us with a pre-existing condition that we have not agreed to cover in writing. This list is not exclusive.
