

Australian Declaration

Please note that the medical insurance provided by Morgan Price is not a replacement for any compulsory insurance in Australia. It is not intended to and does not comply with any local insurance requirements and is provided by an Unauthorised Foreign Insurer (UFI).

An 'unauthorised foreign insurer' is the term generally used for an insurer who carries on a general insurance business outside Australia. They are able to offer insurance in Australia. However, they are not regulated by the Australian Prudential Regulation Authority (APRA) and do not need to meet their requirements.

It is your responsibility to ensure that you are compliant with health insurance requirements in Australia. We recommend you seek independent, expert advice on this matter before taking out a contract with us.

In order to proceed with applying for cover, please sign the below to confirm that you have read, understood and agree to the above and have obtained suitable expert advice and are happy that this insurance contract is provided by an Unauthorised Foreign Insurer (UFI).
