

# Bank Details

We can settle claims in most major world currencies but in a few cases where we cannot settle in your required currency then we will pay you in the same currency as your premiums are paid. Please provide the following details to enable us to make settlement of your claim.

---

|                     |               |            |
|---------------------|---------------|------------|
| Policyholder name   | Policy number |            |
| Bank name           | Bank address  |            |
| Account holder name | Account No    |            |
| Sort code           | IBAN No       | Swift code |
| Signature           | Date          |            |
