In dire emergencies in remote or primitive areas where you cannot make contact with us in advance, you must contact us as soon as is practicably possible.

If you have also selected a co-insurance on out-patient benefit options, the excess will be applied to the claim first and then the co-insurance will be applied to the remaining amount. At the start of each period of insurance, you are responsible for bearing the costs for any expenses up to the value of your deductible/excess.

Please send us a completed claim form together with all the bills so that we can work out the amount payable once you have incurred eligible costs up to the level of your deductible/excess.

e. Settlement of your claim

Once we have reviewed the documentation provided and processed your claim, we will send you a reimbursement statement and make payment of the covered expenses directly into your chosen bank account.

We will pay for any bank charges incurred in submitting the funds into your bank account.

We will not pay for any charges made by your bank for receiving the funds.

For claims made where you have incurred expenses in a currency other than the currency of your policy, settlement will be calculated using the appropriate exchange rate prevailing on the date treatment was received.

7 General policy administration

a. Commencement of cover

You and your dependants' cover can start once we have accepted your application form and your first premium payment has been received by us, including any applicable taxes.

Your start date will be shown on your certificate of insurance. Your start date must be within 30 days from the date that you signed your application form.

We will provide you with a PDF of your certificate of insurance, any relevant endorsements, a benefit schedule and a membership card, which includes details of the emergency claims contact details.

b. Adding or removing your dependants

Application to add your eligible dependants may be made at any time during the period of insurance, subject to payment of the required premium.

A healthy newborn child may be added to this policy from their date of birth provided we received a completed application form from you within 14 days of their date of birth. If you notify us after this period, we will add the newborn child from the date we receive the completed application form and not their date of birth. If your newborn has known medical conditions, these will need to be declared on an FMU application form and we will advise what cover we can offer.

Please note that submission of a claim under item 7 – Maternity Benefits, does not constitute formal notification for the newborn to be added to the policy. A completed application form is required.

If you wish to delete any of your insured dependants from the policy, you must make this request in writing. Deletion will be made from the date that written notification is received.

c. Maintaining cover

Subject to satisfying any specific eligibility criteria and payment of the required premium, this policy will remain in force during the period of insurance and is renewable for successive 1-year periods at the prevailing terms, premium rates and benefits.

We will not cancel this policy because of either a deterioration in the health of any insured person or the number/value of claims the insured makes, unless we are prohibited by insurance law or legislation, or decide not to continue to underwrite this type of insurance in the insured person's country of location.

If we decide to stop underwriting this policy, we shall give the insured as much notice as possible in writing prior to your policy's next annual renewal date.

d. Alterations to your policy

We may change the premium rates, terms, conditions and benefits of your policy from time to time but any such changes will not apply until the next annual renewal date first following the introduction of such changes.

No alteration or waiver of the terms, conditions and benefits of this policy shall be accepted unless it is in writing by one of our authorised company officials.

e. Changing your plan type

You may only apply to change your plan type at the annual renewal date of the policy. If we accept your application, we reserve the right to apply a variation in cover to any medical conditions which pre-existed the date of such change.

You may change your geographical area during the period of insurance if you relocate to a country of residence which is located outside of the geographical area chosen at the start date or subsequent annual renewal date.

We reserve the right to apply a variation in cover to any medical conditions which pre-existed the date of such change.

f. Policy duration and premium payment

This is an annual contract, which is renewable each year, subject to the terms and conditions in force at the annual renewal date and subject to payment of the applicable renewal premium. All premiums are payable in advance of cover being provided under this policy. Premiums can be paid by bank transfer or by debit/credit card.

Premiums (and any applicable taxes) are payable monthly, quarterly, semi-annual or annually but this is an annual contract of insurance. If you elect to pay your premium in instalments, you will be charged an administration fee. You are still responsible for paying the entire annual premium even if we have agreed you may pay by instalments. If we do agree you can pay by instalments then you must ensure the credit card you supply is valid for the entire period of the policy year.

We reserve the right to withdraw frequency payment facilities and/or charge an administration fee for non-payment. The policy will be cancelled if a payment date is missed although we may subsequently reinstate cover if an outstanding payment is received within 30 days of its due date.

If we agree to reinstate cover, we reserve the right to apply revised underwriting terms to your policy.

If a premium is outstanding, any claims will be suspended and will not be settled until the outstanding premium is received by us.

If any premium is unpaid at the end of this 30-day period, we will cancel the policy from the date that the unpaid premium was due. Any outstanding premium will be deducted from the credit card or debit card supplied.

Premiums are payable in the currency of the policy which you elected at the start date of your policy.

We reserve the right to alter premiums at any time but if we do so, the new premiums will not be effective until your annual renewal date.

We reserve the right to alter the amount of IPT, government levies or other taxes as and when they change by law and to apply them at the next premium due date.

If having purchased this insurance, you decide that it does not meet your requirements, please return your policy documents to us within 14 days of receipt, together with written cancellation instructions. Provided no claims have been paid and/or pre-authorisation has been given, we will refund any premium that you have paid.

g. Temporary return to your home country

For nationals of the United States of America, cover can remain in force for temporary return and visits to your home country up to a maximum of 90 days in total during each period of insurance, provided that your home country is included within your selected geographical area. Your policy will automatically terminate after 90 consecutive days in the United States of America – refer to “Termination”.

For nationals of all other countries worldwide, there is no restriction for temporary return and visits to your home country, provided your home country is included within your selected geographical area.

Where your home country falls outside of your selected geographical area, please refer to Item 11A – Emergency Out of Area Treatment.

h. Cancelling your policy

If the policyholder cancels the policy at any other time, you must give us 14 days notice in writing at the address shown on the policy documentation. We will cancel the policy from the date of receipt of such instruction or from a future date. Under no circumstances will we back date any cancellation requested by the policyholder.

Once we have received your cancellation notification and provided no claims or pre-authorisations have been put in place in the current 12-month period of insurance, a pro-rata refund may be applicable. If a claim has been made, then no refund will be due and any outstanding instalment premiums remain payable.

If you cancel your plan, we reserve the right to charge an administration fee of £/€//\$30.

We will not cancel this policy because of eligible claims made by the insured person. We reserve the right to cancel the policy at any time if any insured person has:

- Misled us by misstatement or concealment or failed to answer any question about this policy honestly and fully; or
- Made or attempted to make a false or fraudulent claim or if any person uses any methods to try to make a fraudulent claim; or
- Fails to pay the premium due.

i. Termination

This policy will automatically end in any of the following situations:

- Failure to pay the premium on the date due. At our absolute discretion, we may reinstate the cover if the outstanding premiums are paid to us in full, although we reserve the right to apply revised underwriting terms to your policy.
- Where you have acted in a fraudulent manner or deliberately claimed benefit either directly or indirectly, to obtain unreasonable pecuniary advantage which is to our detriment.
- For nationals of the United States of America only, 90 days after you return to your home country. This 90-day period shall be reduced by the number of days that have already been spent on temporary return and visits to the United States of America during the period of insurance. If there are less than 90 days to run until the expiry date, then cover shall cease on the expiry date.

On termination of this policy for whatever reason, our liability will immediately cease.

j. Death of a principle member

Should the principle member die, their spouse (provided already insured under your policy) will automatically become the principal member for the remainder of the period of insurance. Should a dependent be left on the policy under the age of 18, a guardian will need to become the policyholder.

k. Other insurance

If there is any other insurance covering any of the benefits that are provided under your policy for which a claim is made, then you must disclose this to us at the time of submitting the claim.

In these circumstances, we will not be liable to pay or contribute more than our proper rateable proportion.

If it transpires that you have been paid for all or some of the claim costs by another source or insurance we have the right to a refund from you. We reserve the right to deduct such refund from you from any impending or future claim settlements, or to cancel your policy from the start date or subsequent annual renewal date without a refund of premium.

l. Subrogation

If someone else is responsible, we may take court action in your name to recover any claims we have paid. We will pay for the cost of taking this action and it will be for our benefit. Insured persons are not authorised to admit liability for any eventuality or give a promise of undertaking to anyone which binds the Insured, an Insured Person, or Us.

m. Help and intervention

Our help and intervention depends upon, and is subject to, local availability and has to remain within the scope of national and international law and regulations. Our intervention depends upon us obtaining the necessary authorisations issued by the various competent authorities concerned.

n. Compliance

Your full compliance with the terms and conditions of this policy is necessary before a claim will be paid.

o. Governing law

This contract of insurance shall be governed and construed in accordance with English law unless we agree otherwise. The courts of England alone shall have exclusive jurisdiction in any dispute.

p. Sanctions

No insurer shall be deemed to provide cover and no insurer shall be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose that insurer to any sanctions, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, or United Kingdom or United States of America to the extent such compliance is not prohibited by applicable law.
